

## Bandit Nets \$88 At Tavern Early Today

### Uses Gun To Hold Up Operator, Customers; Three Homes Entered

An armed robbery occurring early today was added to weekend reports of three home burglaries and a series of other thefts being investigated by area police.

The home theft was solved with the arrest of a 13-year-old boy.

Two autos, lights, a power mower, grill and cups were stolen, and reports were received on looting of a parked auto and airplane.

An armed bandit held up the Emerald Place tavern, 108 State street, at 2:40 a.m. today, obtaining \$88. The man was gone by the time of the arrival of Madison police, who are conducting an investigation.

The robber was described as a Negro man about 40 years old, five feet, ten inches tall, 175 pounds, clean shaven and dark complexion. He was wearing blue denim trousers, a blue denim jacket, a "sloppy" brown felt hat and brown jersey gloves.

Armed with a nickel-plated revolver, the bandit entered the front door of the tavern and ordered the proprietor, Mrs. E. E. Madson, and her three customers to remain silent.

"Keep quiet and nobody will get hurt," he said as he went behind the bar and took an estimated \$88 from the cash register.

The man tried to obtain money from the customers but was told by a man and a woman that they had no money. From the third customer, he took a wallet containing \$2.

"None was threatened or struck," police said. They declined to identify the customers.

The robbery was completed within a short period of time, and the man left through the front door. Those in the tavern alerted the police.

### Burglary At Marsh Home

A burglar entered the home of James Marsh, 4144 Pontoon road, some time between 8 p.m. Saturday and 2 a.m. Sunday, taking an electric range, a pair of boys' trousers, a quart of beer, and eight packages of food.

Entrance was gained by opening an unlocked rear door.

### Boy, 15, Admits Theft

A young boy was taken into custody by police and admitted the theft of a \$20 bill from the home of Joan Hadley, 2008 Twelfth street, last Thursday.

The boy was referred to juvenile authorities in the Coordinated Youth Services office.

The 15-year-old youth said he entered the unlocked Hadley home while no one was there and took the \$20 bill from a purse that was in a closet.

### Burglary At Home

A burglary occurred between 9 p.m. Friday and 6 p.m. Saturday at the home of Goldie Elice, 1416 North Broadway street, where police were informed at 7 p.m. Saturday. There was no forced entry, but a key to the home had been lost earlier at a St. Louis industrial plant.

Items taken were two articles of underclothing and a brown leather purse containing a gold charm bracelet, necklace, gold earrings, gold watch, birth certificate and a \$20 bill.

## 12 Persons Hurt In 21 Airwide Traffic Accidents

Twelve persons were injured in the 21 traffic accidents reported in and near the Quad-Cities area over the weekend.

Two persons were hurt about 9:20 p.m. Sunday when the auto in which they were riding "collided" a utility pole guide wire and overturned at East 23rd and Kate streets.

The driver, Lloyd Taylor, 20 of 2031 Beckwith street, who was treated at St. Elizabeth Hospital for bruises and contusions to his right hand, was charged by Granite City police with driving too fast for conditions and reckless driving. He posted his driver's license as bonded for a hearing Saturday.

## \$22-\$88 Pay Raise Ends Strike By Teachers

GC Schools Picketed  
On Last Day; Report  
Cards To Be Given Out

The school term came to a hectic close Friday, with Granite City teachers going on strike, pickets removed and then a two-year salary agreement was reached only minutes before the start of high school commencement exercises.

The agreement provides raises ranging from \$11 to \$44 a month in 1960-61 and another \$11 to \$44 in 1961-62, resulting in a new salary schedule of \$22 to \$84 for degree teachers. Total cost to the district over the two years is estimated at \$308,000 to \$313,000.

Pickets were set up at each school at 7 a.m. Friday, but the school term ended at 10 a.m. Saturday. Pickets were removed and then a two-year salary agreement was reached only minutes before the start of high school commencement exercises.

REPAVING OF STATE STREET in Madison is to be completed early this week after being started Friday morning. Workmen are shown spreading the second of two layers of blacktop material in the 1300 block. Improvement of State from Second to 14th streets was started last Friday with curbs and gutters, catch basins and replacement of parts of the street base. The surface coats will finish the project.

## Changeover Date Still To Be Set

Preparations are virtually complete for the changeover from one-way to two-way traffic on State street, but a starting date has not yet been set for the return to two-way traffic on 29th street and State street in the downtown district.

Police Chief Raymond Wilkerson, who was assigned the task of outlining traffic control, said it will be carried out with a minimum of restrictions and left turns to be permitted at most intersections.

Left turns will be prohibited only for northbound State street traffic at the 20th street intersection. A one-way street will be set up at 19th and State streets, and left turns will be permitted, but only on one-way, westbound 19th street traffic will be restricted to right turns.

Four-way stops will be set up at 19th and State streets and at 19th and Delmar avenues. There will be three-way stops at 19th and Edison avenues, and while no additional stops are planned at the 19th street and Grand avenue intersection, there will be a stop for eastbound traffic on 19th street at Madison avenue.

At the 20th and State streets intersection, the stop signs will remain for westbound traffic on 20th and southbound vehicles on State and a stop sign is to be erected for northbound State street traffic.

Mayor Davis said it will be a number of days, possibly two weeks, before the signs will be delivered and erected and parking meter heads changed to conform with two-way traffic movement.

The council has authorized the police department to make any changes necessary should any problems arise.

The return to two-way traffic was requested by the Associated Retailers and was approved by the council about five months ago. The delay in the changeover resulted from a postponement of the February moving date for the 18th street fire station to its new building at 23rd street and Madison avenue. The move was made about three weeks ago.

## Census Shows 5,861 Residing in Three Cities

Official census figures announced Friday show a population of 51,861 within the incorporated areas of the Quad-Cities, with Granite City's 39,481 population announced earlier last week, the total was completed with listings of 7101 for Madison and 5279 for Venice.

City officials of both Madison and Venice dispute the new census tabulations and are considering what steps to take to seek revised figures. The 1940 census figures, the 1940 total represented population losses of 947 in Venice and 862 in Madison.

The 51,861 aggregate listing for the three cities compares with a 1940 total of 51,014 in 1940 and 36,210 in 1940. Madison and Venice areas are not included in the totals.

The 2027 gain during the past decade is based on a 10,016 increase in Granite City and the decrease in Madison and Venice. Between 1940 and 1950, the 1944 local increase consisted of 6491 in Granite City, 172 in Venice and 181 in Madison.

Expected increases in population shifts have occurred in both Madison and Venice in the past decade, officials of the two cities contend, but they expected the population to rise at least slightly. With the sharp drops, 15% in Venice and 11% in Madison, the reaction has been one of disbelief.

Madison Mayor Stephen H. Maest estimated that 25 new homes have been built in the Elizabeth street area, and noted that the Greiner Homes housing project has been constructed since the 1950 census. While a few homes have been razed, all still exist. Estimates are filed, although some may have fewer occupants.

Contracting the district census office at East St. Louis, Maest learned that records have been kept already and it may be difficult to determine where any discrepancies in the counting occurred.

Black Menial, Addr He noted that an entire block was forgotten but then included after census officials were informed to rise at least slightly. He speculated that other residents may have been missed.

Some officials are concerned over the census report because it shows not only a decline from 1940 but a drop in the population drop to below the 1940 level.

Some sections of Kerr Island have been cleared of homes in the past decade, but new construction has included the Lee Wright Homes and Venice Homes housing projects.

The Press-Record's census-taking effort has been received, is based on the official census figures, which have not yet been announced.

## Man Dies After 8 Stab Wounds; Murder Charge

Fatal knifing of a 73-year-old West Madison resident at 4:20 Saturday resulted in the arrest of a short time later of Willie Lee Jones, 37, St. Louis, who was charged by Madison police with murder.

Henry Spencer, 904 Jefferson street, died at St. Elizabeth Hospital at about 5 a.m. Saturday after suffering eight knife wounds, including two major wounds in the chest and stomach. The other cuts were to the shoulders, chest and arms.

Jones was arrested by Venice police near the Lee Wright Homes a short time after the stabbing was reported, and gave Madison police a written statement admitting the crime.

The dispute started in the yard of Spencer's four-family apartment building and continued into the back yard, with Jones and Spencer, a tenant of the Spencer building, who reported. When he returned at about 4:30 a.m., she released him and he was bound to leave the building and Spencer went downstairs from his second-floor apartment.

## Plan Car License Drive in Madison

Madison police have been instructed to arrest persons not displaying city license stickers on their vehicles, effective Wednesday, June 15. It was announced during the weekend by Chief Barry Fraundorfer.

The licenses are free for the first two months of the fiscal year. The delay in the changeover resulted from a postponement of the February moving date for the 18th street fire station to its new building at 23rd street and Madison avenue. The move was made about three weeks ago.

The council has authorized the police department to make any changes necessary should any problems arise.

## Mrs.

## Portrait of Marshall Given To GC Steel

An oil painting of the late John N. Marshall, chairman and chief executive officer of the Granite City Steel Co. from 1948 until his death April 15, 1958, has been presented to the company by Mrs. Marshall. The portrait is the work of Fred Conway, noted artist who is associated with Washington University's school of Fine Arts.

The portrait was hung in the board room of the company's new general office building here. Mr. Marshall was a member of Granite City Steel's board of directors for 25 years. Granite City Steel carried on the largest expansion program in its history while Mr. Marshall was its chief executive officer.

Involved in a minor accident Friday afternoon at 16th street and Cleveland Blvd. were a parked auto belonging to Jack Taylor, 51, of Troy, and an auto operated by George E. Biggs, 33, of 1915 Russell, who was backing south across the street. Police said there was damage to the rear sections of both autos.

## Area United Fund Drive Is Locally Controlled

The Tri-City Area United Fund is entirely independent from control by the national organization so far as establishing a budget, conducting a campaign and determining the distribution of funds to member agencies, local United Fund Executive Director John Solenberger told members of the Daybreak Optimist Club Saturday morning.

Solenberger, guest speaker at the club's meeting in the YMCA, said the national United Fund organization does offer personnel and statistical services to the many local organizations, but interferes in no way with the manner in which the fund drives are conducted or which agencies are selected as United Fund member upon submission of application.

The local United Fund currently has 18 member agencies, he said. In the campaign this year, 85% of the total donations have been budgeted for administration and campaign expenses, as compared to a national average of 87%.

The local UP board plans to distribute 48.9% of its funds to recreational agencies, such as the Boy Scouts and YMCA.

while the national average in this department is 53.1%. Twenty-six per cent is earmarked for family and child care member agencies, compared to a national average of 22%.

Nine per cent will be made available to the American Red Cross, compared to a 15% national average. Solenberger, who formerly directed United Fund campaigns in Cortland, N. Y., added:

In some ways, other health services which conduct their own fund drives are competitors of the United Fund, he said. Last year, for example, the local United Fund made \$699 available to cancer patients and \$200 to heart patients, not through organizations which conduct drives in these two areas, but to individuals themselves, he said. An additional \$273 went to the Madison County Mental Health Association.

Club president-elect Sigmond Fredericks introduced Saturday's speaker. Fredericks is program chairman for June. Club president Marvin Wagoner conducted the meeting, attended by 11 members and one guest.

## Meet On Health Dept. Thursday, Public Invited

A proposal for a full-time county health department supported by taxes will be discussed at a public meeting Thursday at 8 p.m. at St. Elizabeth Hospital in the downstairs meeting room. Since 70% of the population of Illinois is covered by full-time health services and Madison county, the fourth largest county in the state is not, establishment of the services is necessary, Dr. Felicia D. Koch, local physician and acting chairman of the Madison County Public Health Council planning committee, said.

All persons interested in the health of their families and community are invited to the meeting, which it is hoped will lead to a special ballot on the matter in the November general election, Dr. Koch said.

Petitions are being prepared for circulation in the county calling for the referendum, which would include the establishment of a special tax levy not to exceed 50 cents per \$100 assessed valuation.

Similar public meetings were held in Highland, Edwardsville and Alton and an earlier one was held here on May 19 at which the duties of the department, such as providing extra protection against typhoid fever, food poisoning and other serious and sometimes fatal diseases were mentioned.

Among the services given by such a department would be providing county-wide immunization, promoting sanitary food supplies, encouraging better waste disposal and sanitation at public places and the gathering and interpretation of health statistics.

A county board of health and a full-time professional staff would operate the program. The board would consist of eight non-salaried citizens in the department, at least two physicians, one dentist and a member of the county board of supervisors, while the professional staff would include a public health officer, sanitation officers, nurses and other health specialists and clerical personnel.

## Fire Damages Wall of New Blair Grade School

The new Blair school building, under construction was damaged to the extent of \$100 at 5:10 p.m. Thursday when a fire was started by a cigarette accidentally dropped into a pile of lumber, straw and paper. Venice firemen said.

Five windows were broken in the fire and two large wall tiles buckled as the flames spread to the side of the building.

Miss Hart To Be Graduated Thursday

Miss Sandra Hart will receive her diploma from Barnes Hospital School of Nursing in a commencement program on Thursday at 8 p.m. in St. John's Methodist Church, 5000 Washington avenue, St. Louis. She is the daughter of Mr. and Mrs. Edward Steele Gaston, 2314 State street.

## Rev. Marcum Reports On Synod Meeting

Rev. Calvin Marcum, pastor of Nameoki Presbyterian Church, has returned from Jacksonville where he attended a four-day meeting of the Illinois Synod of the United Presbyterian Church at Illinois College. He was selected one of the five ministers to represent the 14,700 communicant members of the Alton Presbytery.

Rev. Paul Stumpf, pastor of Arlington Heights Church in Chicago Presbytery, was elected moderator of the Synod. Rev. Stumpf's father was formerly pastor of the Madison Presbyterian Church. The new moderator was graduated from the Madison high school in 1929 and served as pastor of the Collinsville Presbyterian Church from 1930 to 1945.

Among the many decisions of the Synod, one of the most outstanding was to conduct a capital fund drive for Presbyterian causes in the state. The goal is to raise \$5,000,000 in the spring of 1961. The money will be used to aid and strengthen the program of Christian colleges and universities.

The 1961 Synod will meet at Lake Forest College.

## Hospital Treats Judo, Kerosene Accidents

## Employment At 62 Local Firms Total 15,910

Employment at 62 major firms in the Quad-Cities dropped slightly in the 60-day period ending May 15, from 16,115 to 15,910, a report by the local Illinois State Employment Service showed today.

The May 15 figure of 15,910, which is identical to the total at the same date a year ago, is expected to rise to 16,144 by July 15, the ISES said after reviewing estimates of local industries and businesses.

Employment gains since March 15 have consisted of 28 in food products, 23 in contract construction, 13 in wholesale trade, seven in transportation equipment, six in fabricated metal products, six in finance-insurance-real estate, four in chemicals and allied products, three in petroleum refining and related industries, two in professional, educational and related services and one in communications and utility services.

These are offset by declines of 136 in primary metal industries, 75 in government, 68 in furniture and fixtures, seven in retail trade, four in transportation and warehousing, four in plastics products, two in printing and publishing and one in paper and allied products.

Changes anticipated by July 15 include gains of 184 in primary metals, 50 in transportation equipment, five in contract construction, five in food products, three in chemicals, two in printing, two in plastics, two in utilities, two in professional and related services and one in retail trade, with decreases of 27 in transportation and warehousing, four in government and one in finance-insurance-real estate.

## Pending Case 'Low' In Circuit Courts

Pending cases in Madison county circuit courts are "low" this year, compared to corresponding periods in other years, according to Eugene Berghoff, circuit clerk pro tempore, at Edwardsville.

A total of 1877 cases are now pending. As of June 1, 72 criminal cases were filed and 47 were disposed of, including 37 guilty pleas, six removed from legal reinstatement, three settled before a court jury and one settled through non-jury court.

For the same period, 424 civil law suits and 258 chancery cases were filed in circuit court and the courts disposed of 573 cases during that time. During 1959, 1465 cases were filed and 1990 were disposed of, with 1983 cases pending at the end of the year.

## Venice Apartment Fire Keeps Ambulance Busy

An emergency ambulance was called, canceled and then called again at 10 a.m. Friday when a four-family, two-story apartment building at 1042 Douglas, Venice, owned by Harry Briggs, 1019 Douglas, caught fire. No one was in the house.

At first the fire, of undetermined origin, was thought to have trapped Mrs. Neely Gray, an occupant of the second floor, but she was later found unharmed. Mrs. Gray's daughter (named white in the belief that her mother was caught in the blaze, which caused \$500 damage to the building and \$200 to the contents. The blaze started in a front upstairs bedroom.

Venice firemen gave oxygen to the daughter and she was sent to St. Elizabeth Hospital for treatment. There was water damage to a first-floor apartment.

THERE WERE FEW ANCIENTS AMONG THE "ANCIENT ROMANS"

## THE AVERAGE ANCIENT ROMAN LIVED TO BE 22

The American born in 1961 can look forward to a life span of nearly 70 years. Since 1900 alone, average life expectancy has climbed an incredible 20 years. Medical progress is the great achiever of these revolutionary gains. New research and new knowledge today promise even further advances.

Nevertheless, neglecting to see a physician in time to benefit fully from modern medical science is cheating many not only of average years, but of extra years. Clearly, the great step toward better health and longer life is simple: regular medical check-ups.

## Miss Beverly Cottrell And Jerry Maxwell Wed Saturday

The wedding of Miss Beverly Cottrell, a daughter of Mr. and Mrs. Robert Cottrell, 3010 Buxton avenue, and Jerry Maxwell, a son of Mr. and Mrs. Loren Maxwell of Collinsville, took place Saturday evening at the Church of the Nazarene on East 25th street.

Rev. R. D. Beatty performed the 7:30 ceremony and a reception was held later at the church.

Mrs. Beatty presided at the organ and the bride and her father were preceded down the aisle by four attendants. Mrs. Norma Vail, a sister of the bride, matron of honor, Mrs. Joan Biggs, bridesmaid, and Vicky Jackson and Jackie Maxwell, flower girl and ring bearer.

The bride wore a white dress and a crown of pearls and the groom wore a tuxedo.

The bridegroom, who attends Southern Illinois University Residence Center in East St. Louis, is employed in East St. Louis this summer.

Miss Cottrell carried a white orchid on a ribbon. The matron of honor was in aquamarine net over satin and carried a bouquet of yellow daisies. Miss Biggs was similarly attired in pink with a bouquet of blue daisies, while the flower girl wore a white dress and carried a basket of flowers.

Jerry Nelson was best man, and the groomsmen and ushers included Kenneth Eichelberger, James Cottrell, the bride's brother, and John Maxwell, a brother of the bridegroom.

The newweds left after the reception for a honeymoon in the Smokey Mountains. When they return they will live in Collinsville.

## Revells-Gonzales Nuptials

Miss Mary Louise Gonzales, daughter of Mr. and Mrs. Fern Gonzales, 1649 Maple street, became the bride of James Revells, son of Mrs. Leola Revells of Roland, N. C. at 2 o'clock Saturday afternoon during a simple wedding ceremony performed by Rev. W. L. Shovers in Second Baptist Church.

Attendants were the bride's brother-in-law and sister, Mr. and Mrs. Albert Edgars of Collinsville.

The bride wore a white summer suit with matching accessories and an orchid corsage. Mrs. Edgars was in a blue street-length dress, complemented by matching accessories and a corsage of white orchids.

Revells is stationed at the Granite City Army Engineer Depot. His bride graduated last week from Granite City high school. They will reside temporarily with the bride's parents.

## Leatherman-Clutts Nuptials Friday

Miss Patricia Clutts, a daughter of Mrs. Lorraine Clutts, 3007 Buxton avenue, became the bride of John Leatherman Jr., 2536 Boyle avenue, in a simple ceremony performed at 6:30 p.m. Friday at the home of the bride's mother, Rev. Kingsley Dowling, Church of Christ minister, officiated in the presence of the immediate families who remained for an elegant reception.

The bride wore a sheath dress of aquamarine nylon over silk. Street-length it was designed with a sweetheart neckline and short sleeves. A small hat matched the dress and the bridal bouquet was a corsage of white and white roses.

Miss Lucille Segedy, bridesmaid, was in a light champagne sheath dress of nylon and silk made with a boat neckline. She wore a small white hat and yellow roses in a corsage.

William Harpo was best man for Mr. Leatherman, whose parents reside in Pittsfield, Ill.

After a short honeymoon to Chicago the newweds will reside at the Boyle avenue address.

Mr. Leatherman is employed by an East St. Louis insurance company. Until the past week his bride was employed by the General Steel Castings Corp.

## Women Can Help Chilean People

The Tri-City Chapter, American Red Cross, has announced that women interested in aiding people of Chile can do so by making stoles or knitting sweaters. The clothing will be used for the winter season, which is only a few weeks away in Chile. Women's stoles may be knitted or made of heavyweight wool cloth or woven material in dark, but not drab, colors. They should measure 60 by 24 inches when completed. Men's sweaters should be of wool, the heaviest weight possible, and of a coat style in assorted dark colors. Children's sweaters should be made of heavy wool. Due to the nearness of the winter season, the clothing must be at the St. Louis office by July 1. Persons who are interested in providing clothing may contact the Tri-City Chapter of the Red Cross.

## Local GI Asks Area For Help In Clothing Okinawan Youth

An appeal from a local Marine and an effort by his mother might result in some destitute children of Okinawa being a little better clothed — if the mother here can receive aid from local clubs and goodwill organizations.

Pfc Bert Eugene Jones, son of Mr. and Mrs. Amos Jones of 2748 Harding avenue, wrote the Press-Record last week, requesting that his letter be published, asking local citizens to come to the aid of the hapless children of Okinawa.

Mrs. Jones said her son had written her several times, asking her to send anything possible which would help the children. His U. S. Marine division is in the midst of building softball diamonds for the native children and the troops cannot supply enough clothing to keep them decently covered, he related.

The boy's mother said she would be more than willing to head a collection of clothing for the children, but that she could not financially afford to ship them. She requested that civic and professional clubs of the area cooperate in a campaign to aid the nearly naked youth of Okinawa.

Jones, in his letter to the Press-Record, said, "I am writing in request that you enter in your Forum my request for the need of clothing for the children of Okinawa." "I have been stationed here for about four months now. My battalion has started the 'Tops for the Tops' drive. The men in the brigade cannot give all the clothing necessary to help the

unfortunate children of this island." Mrs. Jones emphasized that her son had written her several letters, asking her to send "anything useful," whether it concerned clothing or not. He told her that the children were almost naked, and that a person would have to witness the spectacle to really appreciate their need.

The Granite City mother said she would be happy to cooperate with any group which is interested in forming a campaign to aid the Okinawan children. Her telephone number is TRiangle 6-6818.

## Two Local Graduates At U. Of Illinois

Two Quad-Cityans, Miss Barbara A. Buehne, 2626 State street, and Miss Sharon L. Williams, 409 Madison avenue, will be among the 2730 graduates at the Urbana-Champaign campus. Both are candidates for bachelor of science degrees.

The graduates' procession will form at 9:30 a.m. and proceed to Memorial Stadium for ceremonies beginning at 10 a.m. If weather interests, two ceremonies will be held in Huff gymnasium at 10 a.m. and at 2:30 p.m.

The commencement speaker will be Dr. James R. Killian Jr., of Massachusetts Institute of Technology, noted scientist and former president of MIT, who served two years as President Eisenhower's special assistant for science and technology.

## Three Fined In Venice

Two hearings on careless driving charges were held Thursday evening by Venice Police Magistrate Wesley Edwards, who assessed court costs against Reggie D. Clark, 2117 Benton street, and fined Leonard B. Parrott, St. Louis, \$10 and costs. In a third case, Monroe Reddis, St. Louis, was fined \$10 and costs for disorderly conduct and was authorized to work out the fine on the street department.

## C. of C. Play Day Set For Tomorrow

## How To Preserve A Husband

(Paste this recipe in your cook book)

Select one not too young, but once chosen, give your entire thoughts to prepare him for domestic use.

Some wives keep them in a pickle, others are constantly getting them in hot water. This makes them sour, hard to get along with and sometimes bitter.

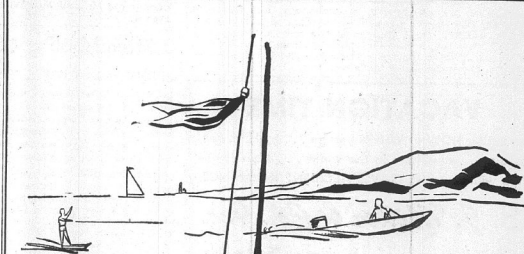

Even poor varieties become sweet, tender and good, if garnished with patience, well sweetened with kisses.

Keep them warm with a steady fire of domestic devotion, a mantle of charity and forgiveness and serve with peaches and cream.

Prepared this way, they will last and taste good for many years.

THIS RECIPE IS A PUBLIC SERVICE MESSAGE TO BENEFIT ALL HUSBANDS AS OUR FATHER'S DAY TRIBUTE.

## Hollis-Motsinger Nuptials

### Saturday At Wood River

The wedding of Miss Sandra Kay Motsinger, a daughter of Mr. and Mrs. Kenneth L. Motsinger, of Wood River, and Charles David Hollis, a son of Mr. and Mrs. William R. Hollis, 3321 Wabash avenue, took place Saturday afternoon at First Methodist Church in Wood River with the Rev. Edwin Grant, pastor, officiating at 2 o'clock.

Bouquets of white gladioli and greenery decorated the sanctuary which was lighted by burning candles. Mrs. Vera Hanson was organist.

The bride's gown was made of chiffon over taffeta with a bouffant street-length skirt and a bodice fashioned with a deep neckline and featuring a gathered midriff. The dress was trimmed with heavy cotton lace and white chiffon gauntlets completed the costume. A sequin and a pearl studded crown secured the bride's veil of illusion and she held a cascade of Stephanotis and English ivy centered with a detachable purple orchid corsage. Her only ornament was a single strand of pearls. Mr. Motsinger gave his daughter in marriage.

Miss Karen Schenk was maid of honor, and Miss Judy Ford, a cousin of the bride, served as bridesmaid.

Mr. Hollis' attendants were Robert Hollis, best man, Glen Hollis, a brother, groomsmen, Mike Holland and Glen Hollis, another brother, served as ushers.

The maid of honor was attired in a gown of coral print on white chiffon over taffeta. It had a full skirt and a wide cummerbund which formed a butterfly bow in the back. A headpiece and veil matched the dress and she carried a cascade of blue and white daisies.

The bridesmaid wore yellow lace over taffeta with a bouffant skirt and a wide cummerbund with a bow in the back. A headpiece with an open crown and a veil were in the same shade of yellow and her flowers were blue daisies.

After a honeymoon of two weeks in the Missouri Ozarks, the newlyweds will live at 1004 Reynolds street, Madison.

The former Miss Motsinger graduated this month from the Wood River high school. Mr. Hollis, attended the Granite City high school. He is employed by the Hollis Lumber Co.

VISITING GRANDPARENTS

Miss Judy Stainton has returned to her home in Bloomington, Ill., after visiting her grandparents, Mr. and Mrs. J. J. Braden, 2500 Delmar avenue, and Mr. and Mrs. Rudy Weiss in Wood River before returning her studies at Texas University in Austin. She is completing her home.

## Hawaiian Luau 'School' To Be Given Here June 21st

A demonstration of an Hawaiian Luau, a feast given at times of special celebrations in the islands which can be duplicated at home will be given at 7:30 p.m. June 21 at the Bellemore Village shopping center under the sponsorship of the shopping center merchants.

The Luau cooking school will be presented on the parking lot at the shopping center by Miss Martha Logan, a Swift & Co. home economist, aided by Miss Jo Leslie, home economist for Illinois Power Co. In the event of rain, the demonstration will be given at the Granite City high school auditorium.

Tickets for the cooking school will be available at the stores in the shopping center and all local stores of Tri-City Grocery Co.

The first 1000 women arriving at the school will be given orchids, and also to be distributed are Hawaiian leis for the women, grass hats for the men and booklets on "How to Have a Luau."

In giving the cooking school, Miss Logan will have a table set with Hawaiian decorations and use a 10-wood menu. The feast will be served with fewer bowls and served on colorful paper plates which can be thrown away after the meal.

Miss Logan will explain the importance of the luau to the islanders. Food, flowers, dance, music and hospitality all play a part in the presentation and the home economist will show how they can be transposed to the American scene.

MISS MARTHA LOGAN, who will conduct a Hawaiian Luau cooking school at Bellemore Village shopping center on June 21.

To mark the event, S. E. Per shall Jr., president of Tri-City Grocery Co., received a letter from William F. Quinn, governor of Hawaii, which stated:

"It is gratifying to know that residents of our heartland are to become acquainted with the cosmopolitan dishes of the many racial groups who live in Hawaii. A luau cooking school is a pleasant way to learn about your fellow citizens in the 50th state."

"Soon you will be enjoying the delights of our native dishes and the relaxing entertainment provided by a Hawaiian luau. You and your guests have an exciting treat in store."

"As governor, I wish you every success and send you my warmest aloha on behalf of the people of Hawaii."

MISS JANET MATYAS, ARTHUR DEAN MARRIED

Granite City PRESS-RECORD

## Williams To Attend Bradley U.

Rich Williams, Granite City's record-setting basketball guard, plans to play his college basketball at Bradley University in Illinois.

The 5-10 Williams, who scored 750 points in three years as a regular with the Warriors and established a Southwestern Conference scoring mark in the process, said Saturday that he will attend Bradley University at Peoria on an athletic scholarship.

His decision brought an end to speculation as to where the brilliant outside shooter and play-maker would continue his career.

Williams, who graduated Friday from GCIS, had received a swarm of offers from colleges throughout the Midwest.

Williams won the Southwestern Conference scoring title twice, as a sophomore and a junior, and was named out in his senior year by East St. Louis' Don Brooks. His 282 points during the past season were a school conference record.

He is the son of Mr. and Mrs. Lloyd Williams, 2100 Cottage avenue.

MES OUT East Alton's Don Cobb is retired at first base on throw from third baseman Don Dillard to first sacker Bob Hoffack in a Junior American League game at Wilson Park Thursday. The East Alton Post gathered two runs on only three hits to defeat the Mathews-Post 113 squad from Granite City, 2-0.

## Trophies, Ribbons Won Sunday By Skyteelers

Members of the Tri-City Skyteelers model airplane club brought back three trophies and five ribbons from a meet held at Parks College in East St. Louis yesterday.

A first place trophy was won by Warren MacZura in the scale classification, and a similar award went to Roger MacZura in the beginners' hand-launched glider competition.

Ribbons in the glider class went to Richard Fulcher, 5th; John Fulcher Jr., 8th; David MacZura, 9th; Bill Fulcher, 10th; and Mike Fulcher, 11th.

Other club members attending were John Blum, Terry McCormick, John Fulcher, Ted Jones, Bill Nall, Richard Gum, John Hilleck, Art Conary, Richard Loyt, Richard Loyt Jr., Frank Eaves, Tom LaLonde, Jay Ridge, Larry Simmons, Les Childers and Ron Cornelson.

The contests were sponsored by the St. Louis section of the Institute of Aeronautical Sciences in conjunction with the McDonnell Aircraft Corp.

The Skyteelers will stage their own invitational flying meet here next Sunday afternoon.

## East Alton, Edwardsville Hang 2-0, 6-5 Defeats On Mathews Junior Legion

Mathews Chevrolet, American Legion Post 113 entry in the Junior Legion baseball District Eight league, took it on the chin twice late last week, bowing 2-0 here Thursday evening and dropping a 6-5 squeaker to Edwardsville Saturday afternoon.

Beaten on a one-hitter by East Alton's Jim Blackledge Thursday, Post 113 matched Edwardsville Post 119's hit total Saturday, but could not pick up the big hit when it was needed and lost to Post 119's Jim Heck, who was an effective reliever for two innings.

After spotting Edwardsville to a 5-0 lead after three innings Mathews began to peek away scoring once in the fourth on a double by Dave Sparks, the first hit of the game for Granite City, and a follow-up single by losing pitcher Larry Diak.

With two out in the fifth, Steve Schardon singled for Post 113, Bob Summers walked and Sparks came through in front of him scoring when the Edwardsville centerfielder fumbled the ball.

After Post 119 scored what

later proved to be the deciding run in the fifth, Granite City came back with two in the top half of the sixth on two singles and three walks.

Mathews had Heck on the ropes with the bases loaded and only one out in the frame, but a runner was picked off, third base and what could have been a big inning came to an end.

Sparks collected his third hit, a triple, in the seventh, but was out at the plate trying to stretch it. Both clubs totaled seven hits, and each committed one error.

**One-Hitter By Blackledge**  
Granite City batters managed only one hit off East Alton hurler Jim Blackledge Thursday evening. Larry Diak singled in the home half of the sixth and advanced to second with a stolen base, and that was the extent of the Mathews attack.

Lethander Joe Holder was the tough luck loser of the opener, victim of fielding errors in the third inning when East Alton managed to push across the only run of the halgame.

Mark Haynes picked on a high fastball and singled sharply to left. The ball skipped past Steve Shardon in left field and Haynes pulled into third. Ronnie Evans followed with a looping liner to right center to see Josh bounced once and eluded Outfielder Tony Mance. Evans also took third on the second two-base error of the inning.

Holder rose to the occasion, leaving Evans stranded at third but the damage had been done. The only other hit Holder gave up was a harmless single in the sixth inning, but Blackledge sailed through the Mathews lineup, keeping the Granite City batters on their heels with a good curve ball.

## Staff of 16 Operating Park Swimming Pool

A staff of 16 is aiding Pool Manager Robert Miller in the operation of the Wilson Park swimming pool this year. The pool opened for the season last Saturday.

This year's crew of life guards includes Paul Gitchett, Glen Cornelson, James Koser, James Alsop, Jack Kitchie and Peter Wimmer.

Working in the bathhouses are Emily Doniff, Donna Achenbach, Mary Baumann and May Endicott on the girls' side; and Mike Mundy, Robert Hoffack, George Monken and John Hawkins on the boys' side.

Judy Petroff is handling ticket sales.

Last week at this time Sacred Heart was "sitting pretty" atop the Red division of the Southwestern Illinois Inter-City Baseball League. Today the Hearts are still in first place, but their win streak has been stopped decisively and they share the top spot with two other clubs.

Tied with the Hearts are McCracken of Collinsville, which dealt the local club a 6-0 setback in Collinsville Saturday night and then scored a repeat win at Wilson Park yesterday afternoon, 7-3; and State Savings and Loan of East St. Louis, 16-2 winners over Troy Sunday.

All three clubs have 5-2 records. Mercer Funeral Home won its sixth game in seven tries yesterday in East St. Louis, overcoming challenger McCreary Glass in 10 innings, 8-7. Mercer thus widened its first place Blue loop lead to two full games over the Glassmen.

In other contests, Carpenter bombed Maryville 21-4 and Highland in the eighth, 5-3. Jack Buente started for Mercer, gave up four early runs and then settled down to pitch five innings of almost baseball before he tired. Newly signed Joe Holder came in with two out in the ninth and the score tied at 7-7, and he picked up his first Inter-City win when Mercer broke the tie with a single, proved to be the winning run in the tenth inning.

Mathews had Heck started for McCracken and was relieved by Clyde Blankenship in the third and then by Toddy Galt in the eighth. Galt, the loser, gave up a lead-off single to Jerry Parnley in the tenth, and the Hearts' lead.

Roger Wells' sacrifice, Rich Branding was intentionally walked, and John Modrusic drove home the winning run with a single.

Holder took a 7-4 lead in the third with four runs on Modrusic's single, a wild pitch, a single by Charles Johannmeier, a sacrifice bunt by Bill Diak, a walk to Rudy Diak, a single by Buente, another base hit by Crabtree, and a double by Parnley.

Two of Mercer's earlier runs came in the second when Crabtree belted a homer with one mate aboard.

Crabtree, Modrusic and Johannmeier each collected three hits, while Buente, Bill Diak and Parnley had two each. Rudy Diak went all the way behind the plate for the winners.

McCracken jumped all over previously unbeaten Bob Page Saturday night in Collinsville, getting to the Heart pitcher for 10 hits, including a two-run homer by Jim Reller.

Page suffered his first loss in six decisions as Ray Rosenkrantz tossed a six-hit, three-hitter. Bob Burns' double and singles by Ed Opich and Pete Bardwell were the Hearts' only offense.

John Harrison's squad came back yesterday afternoon, starting Bob Kovacic on the hill, got good relief from Terry But in the final three innings and swept the weekend series, including a home run by Bob Whitlow, in three innings. Page relieved home runs in the fourth with no out, and gave up two hits which loaded the bases, but worked out of trouble without a run scoring.

Collinsville scored two runs in the seventh, and its 12th and final hit of the game was a solo home run by Ray Rosenkrantz in the ninth.

The Hearts managed only four hits on 14 hits, including a two-run circuit ball by Jim Falk in the seventh, followed by passed balls by catcher by Horner and Worthen. Heart Catcher Clayton Harrison had three hits, and Ken Cruce and Ed Opich two each.

## Finances Obstacle In Bid For Playground

Additional revenue will be needed for the establishment of a playground in Cloverview, Granite City park district attorney Randall Robertson told the Cloverview Civic Improvement Association Thursday night at the American National Bank. He substituted for Barry Loman, president of the park board.

In explaining the park district's fiscal policies, Robertson implied a bond issue might be necessary to establish the playground.

The association decided to send a letter to the park board requesting further consideration for the playground.

After a question and answer period on the playground, the tentative date for its picnic at Wilson Park.

## Local YMCA's Comprehensive Summer Recreation Program Begins Today

A comprehensive summer recreation program for youngsters, the most complete ever undertaken by the local YMCA, began today with tests given to 900 youths eligible to participate.

Sponsored by the youth department at the YMCA, the program includes 11 separate classes in swimming, gymnastics and physical fitness classes, volleyball, a basketball clinic, recreational gym class, baseball clinic, roller skating, sport judo, art classes, free movies, bowling and handicraft instruction.

The local "Y" is also accepting applications from youngsters who wish to attend a summer camp at Camp Piasa, operated by the Alton YMCA from June 28 to July 2, with a fee of \$20 per week.

Also available are application forms for a day camp sponsored by the local "Y" at the YMCA near Belleville later in the summer. Additional information on all phases of the program is available at the local "Y" office. A membership fee of \$6 is required before a youth can participate in the summer programs.

The swimming classes will run for three four-week sessions, with all classes beginning this week. Swimming has been the major physical activity of previous summer youth department programs.

Swimming instruction varies from the "paddler" classification, where beginners are acquainted with the water, to the "swordfish" group, where class members will be introduced to underwater swimming apparatus. Persons qualified to enter this class must provide a snorkel, swim fins and a face mask.

Regular swimming classes will be held Monday through Friday, with a recreational swim period Saturday morning, water games on Thursday and YMCA swimming team practice four days a week. A family swim will be held on Monday evenings and Saturday afternoon, open to all.

"I had occasion to call him several months ago when I was given notice that two people claimed an interest in my house. They said they were heirs of a previous owner and had not signed deeds when the house had been sold. Because I had a title insurance policy with Chicago Title and Trust Company, they handled the entire problem promptly, working through a local attorney whom they retained. Guess this makes them a pretty good bet, too."

## William Holden Tells How The Right Insurance Saved Him From Big Loss

"I was thousands of miles away from home, making a picture in Hong Kong, when the importance of having the right insurance was really brought home to me," says famous motion picture actor William Holden.

"At the time it happened, all I knew was in a cablegam. It read, 'Don't worry. Part of house burned.'"

William Holden goes on to say there was a happy ending to the story. When he returned to the United States several weeks later he found that the insurance claim had already been paid, and his home was already completely repaired. In fact, he had to ask, "Where was the fire?" because the repair job was so perfect.

William Holden has nothing but praise for his independent insurance agent. "In the first place he makes sure you're insured only with companies that pay claims promptly and fairly. Then, if you have a loss, he helps you collect. You get first-class service—and protection—all along the line."

You, too, can count on getting the right insurance when you buy from the man who displays this Big "I" Seal. To display it, we have had to meet professional standards designed to protect you.

### BIBLE SCHOOL GRADUATION

Commencement exercises of the vacation Bible School of the First Baptist Church of Madison were held Friday evening for parents, friends and members of the Bible school, which was held for two weeks.

An average attendance of 113 boys and girls was recorded. The school included beginner, primary, junior and intermediate departments.

Mrs. Pat Kingsley led the beginner department, with Mrs. Mary Link at assistant. Mrs. Velma Rideout, primary, with Mrs. Naomi James, Mrs. Chloe Maxon, Mrs. Daisy Burnett, Mrs. Geraldine Stein, Mrs. Mary Lavesay, Mrs. Hilda Jackson and Mrs. Verna Williams, as assistants. Mrs. Kenneth McDaniel, junior department, with Mrs. Ruth George, Mrs. Ozell Walton, Mrs. Gertrude McManaway and Lee George; and Mrs. Jewell Ratliff, intermediates, with Mrs. Naomi Church as assistant.

Mrs. W1111a m. Hannebeck served as secretary and Mrs. Kenneth McDaniel as principal. Mrs. Georgia Brown and Mrs. Bonnie Bridges were in charge of the nursery for the parents of children assisting with the school.

A display of the work accomplished by the boys and girls was shown. Cookies and soft drinks were served each morning.

### MEMORIAL SERVICES

Joint memorial services were held Saturday evening at the Odd Fellows hall in Madison for the Madison lodges. Kenneth Williams was in charge of the meeting of the Odd Fellows and read names of deceased members as Stanley Shasteen and Charles Miller placed flowers on the altar.

A playlet was given by the Rebekah members. Mrs. Naomi James reading, and Mrs. Ruby Wood serving as chaplain. Mrs. Thelma Stockton, Mrs. Evelyn Shasteen, Mrs. Leo Salmon and Mrs. Verna Williams were escorts. Mrs. James read the names of deceased Rebekah members as the escorts placed red, white and pink carnations around a cross decorated with ferns.

Mrs. Eva Clemens, soloist, sang, with Mrs. Marion Foote as accompanist at the piano. Williams introduced Rev. Randolph as guest speaker for the evening. Approximately 25 members of the lodges adorned to the basement of the hall for refreshments after the services.

### SILVER ANNIVERSARY

The silver wedding anniversary of Mr. and Mrs. Thomas J. Miller, 1725 Rhodes street, was celebrated with a dinner served Sunday at 4 p.m. to members of the immediate family in the home of Mr. and Mrs. Robert Pearce, 1710 Edwardsville road.

A sterling silver tea service was presented to the honoree couple by Mr. and Mrs. John W. Pearce, Mr. and Mrs. Robert Pearce and children, Bobbie and Billy, Mr. and Mrs. E. J. In 2-County Area

## Predicts 90% Population Increase In Next 10 Years

In the ten-year period following the 1960 census, the population of the Madison-St. Clair counties area will probably increase 90%, while the St. Louis area will probably show a non-to gradual decrease in population during the same period, John Hundley, director of personnel at Granite City Steel Co., told members of the Noonday Optimist Club Thursday.

Hundley based his estimate on what he called "strategic and available" industrial sites and attitudes and relations of labor and management within the past two years.

The speaker said 39,000 acres of land suitable for industrial development is available in the two county area at much lower prices than are being asked for industrial sites in the Columbia Bottoms development in St. Louis county.

He felt that "reasonable utility rates," plus an abundance of skilled labor, natural resources,

good educational facilities and a "renewal of the pride" will draw new industry to this area and with it, more people.

Returning to the subject of labor-management relations, Hundley said he believed there could possibly be "some work stoppage" in this area as old contracts expire and labor and management sit down to negotiate new contracts.

But, he told the Optimists during the year both sides have stuck strictly to their contract terms and have observed local labor reform measures agreed to by both sides during the past three years.

Hundley was introduced by R. C. "Tip" O'Neill, program chairman, who was praised by the Optimists for the consistent excellence of programs he arranged during the past 12 months.

Guests at Thursday's meeting included Edward Cook and Theodore Overbeck. The club's board of directors will meet tonight at Granite City high school.

planned, but it did not materialize.

Reached in two equal steps the salary schedule approved for 1961-62 varies over 12 years from \$22 to \$75 for teachers with a bachelor degree; \$24 to \$77 for bachelor degree and \$150 hours; \$56 to \$80 for bachelor degree and \$175 hours; \$58 to \$82 for master degree; and \$61 to \$84 for master degree and 180 hours.

For those without degrees, the 1961-62 pay range will be \$47 to \$50.

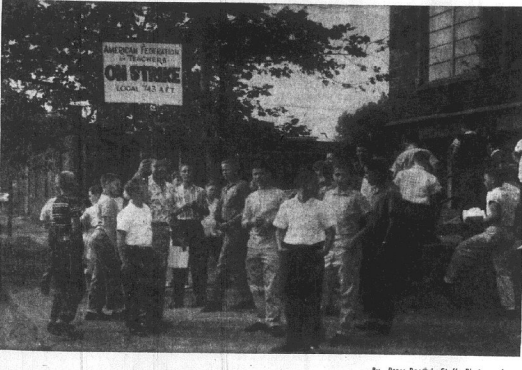

Police were summoned to Coolidge Junior High school about 9:30 a.m. on Friday to halt vandalism. The officers cleared the building of about 800 youngsters and reported there were minor damages in restrooms and hallways.

Firemen raced to Central school about 9:30 a.m. on a false alarm turned in by a boy. The damage at Coolidge school included a soap dispenser pulled loose and an 18x36-inch mirror broken in a boys' restroom, a large waste can demolished and a three-gallon fire extinguisher emptied in a hallway. The extinguisher was carried away. Also, ink and milk were thrown on the floors and walls in a hallway.

During the brief special meeting of the board Friday morning, President Huber called on Dr. Harold M. Kaiser for a report on developments since the previous board meeting. The superintendent related events and meetings occurring between May 30 and June 8 and his report was placed in the minutes.

On a motion by Glenn Abernethy and second by Herbert Buehler, the board voted unanimously that letters from the Teachers' Federation under dates of June 7 and June 8 and the board's counter proposal be made part of the minutes, and the informal action of the administration and board be ratified.

Huber next reported that "we did meet informally last night

SCENE AT SCHOOLS Friday morning was typified by this view of Central Junior High school. Hans Jensen, industrial arts teacher, displays a sign announcing that Teachers' Federation Local 743 was on strike, and a group of students seems somewhat bewildered by the development. Enough pupils and teachers reported to enable the Granite City district to hold the final day of the school term, a state requirement.

and discussed what we should do. I am sure that it is the unanimous agreement of the board that no further discussion be made until pickets are removed from all Community Unit School District No. 9 properties, and that assurance be given that there will be no interference with production services to be held this evening."

The president's report was adopted unanimously on a motion by George Euhans, first and second by Monroe Worthen, and the board then adjourned.

After most of the board members had left, Edwin Reiske, president of the Tri-City Teachers' Federation, entered the board room and said he had just contacted the federal conciliation service. He said his contact awakened the conciliator, who agreed to come here immediately.

Reiske said he based his action on a suggestion for arbitration made by Lahr in the presence of Dr. Kaiser outside the

board office a few minutes before the board meeting. Reiske agreed that the superintendent had said nothing to indicate approval or disapproval of the proposal, but said he had summoned the conciliator "on the advice of the teachers."

Huber said the board had already adjourned after taking four years of required college to prepare to teach, and four years of experience, a man ONLY could teach. We have asked for a gross \$30.00 a month in addition to the gross \$20.00 a month we are currently paying. We have detailed these figures below.

For the reason set out below, we are confident you will agree that the teachers are not being fairly treated. As a union, we have no choice but to strike. Our position, except by a strike, is a law-abiding union, we will peacefully strike and advise all of our position. We will, of course, follow all laws and court orders which may be entered.

I. History of Negotiation

The Salary and Policy Committee of the Local, after spending much time, submitted a fair teacher's pay schedule on April 26, 1960 to the administration. After much delay, the School Board, on May 6, submitted a counter proposal of 4% and 3% over a two year period. The Local unanimously rejected this on May 11, 1960. The Local then proposed three plans for gradual increases over three years to come up to the schedule originally submitted by the Local.

The Board then submitted a counter proposal over a two year period that would give the teachers about ONE-HALF of the teachers' proposal. This was submitted to the Local and was unanimously rejected. The Local then offered two plans:

1. Seventy-five per cent and twenty-five per cent of original schedule over two years; or

2. Page two of the counter proposal by the Board over one year.

Both of these proposals were rejected by the Local and the Local then unanimously offered to submit the dispute to the State Labor Arbitration Board and be bound by their decision. With this refused, we see no honest recourse but to strike.

II. History of Where "Education Fund Goes"

Three years ago the last working and salary agreement was negotiated by our Local with the Granite City School Board. This gave the Board three years to get their finances in order and be adequately prepared to honorably compensate the teachers. Instead of being ready, it was depleted. This is a device used by "Sorry, but we don't have the money." Here is how it is done in Granite City and why we, the teachers, must refuse it. Let us examine three funds and rates.

1. THE TRANSPORTATION FUND — is meant to provide funds for transportation and is SUPPOSED to be supported by a separate tax rate. However, the rate (allowable 10¢ by referendum — authorized at present 10¢) does not provide enough to pay Community Coach. The result: The Community Coach Company is paid from the Educational Fund — the ONLY source of revenue for teacher's salaries. No effort has been made to change this. The transportation cost according to the Granite City Press was \$30,000.00 for the first nine months. A rate of five cents would give \$85,000.00, stop draining the Educational Fund and readily give the teachers their raise.

## 2508 Borrowers At Venice Library During Past Year

Borrowers at the Venice public library totaled 2508 during the 1959-60 fiscal year, an annual report by the library board and staff showed today.

The list of borrowers included 10 non-residents. Circulation of books during the year totaled 21,180, compared to 21,292 in 1958-59. With use of pamphlets totaling 105, the latest year's circulation total reached 21,285.

The Venice library added 1250 books, 550 copies of periodicals and 728 copies of newspapers, increasing the number of volumes on hand to 15,994 after withdrawal of 130 books.

Files of periodicals are maintained back to 1939. Ten items of material were borrowed from the state library in 1959-60. As in the past, books were loaned for two-week periods, and non-residents were registered at \$1 for a two-year period. The library operates from 1 to 8 p.m. each Tuesday and Thursday and from 1 to 6 p.m. each Monday, Wednesday, Friday and Saturday.

**Funds For Addition**  
Two series of five-session children's story hour programs were conducted during the fiscal year, with one party held at the li-

brary and another at Lee Park. With an addition to the library planned, the unexpended cash balance in the fund was increased to \$41,602. Receipts totaled \$28,498 and disbursements amounted to \$18,338.

Aside from taxes of \$28,418, the receipts consisted of \$10 in fees, \$38 in fines and damages and \$31 from other sources.

**List Of Expenditures**  
Expenditures were as follows: librarian and assistant librarian, \$2477; custodial service, \$2463; books, \$2813; periodicals, \$205; binding, \$150; heat, \$599; lighting and water, \$556; insurance, \$503; repairs and improvements, \$278; furniture and fixtures, \$503; supplies, \$654; telephone, \$202; postage, freight and express, \$26; and miscellaneous costs, \$1754.

Miss Catherine McGee is librarian and Mrs. Audress Brown is assistant librarian, with Adam Beyer serving as custodian. The board is composed of Frank DeWitt, president; Mrs. Pauline Reidelberger, secretary; and Thomas E. Maher, Robert McKinney, Mrs. Jessie O'Day, Mrs. Jessie Abbott, Mrs. Catherine Hildebrand and Roger Davis.

## County MH Board Hires Two Psychiatrists

Two new part-time psychiatrists have been appointed by the Madison County Mental Health Clinic, according to an announcement made at a meeting of the board of directors of the clinic in the Granite City offices Thursday evening.

They are Dr. Charles Ottensmeyer, of St. Louis, who is studying child psychiatry at Washington University and will be in the Alton offices, beginning June 17, and Dr. John McMahon, who will be at the Granite City offices four mornings each week. Dr. McMahon is establishing a private practice in Belleville. He will begin his duties here July 1.

The board also approved another full-time psychiatric worker for the Granite City offices, Mrs. Jo Crouch, and the purchase of furniture to complete the fourth office at the Alton Clinic.

### Kenneth Grover Graduated With Honors From Dakota

Kenneth Grover, Granite City, was conferred the bachelor of science degree in business administration last week at the University of South Dakota. The 78th June commencement featured degrees in more than 40 fields of specialization.

Grover was one of six students in the School of Business and the only student majoring in marketing to graduate with honors. Commencement speaker was Dr. Alton Ochsenr, professor of surgery at Tulane University.

### Auto-Truck Accident

Involved in a minor accident on Niedringhaus avenue near Delmar avenue Thursday afternoon was a parked auto belonging to William Dike, 2207 Rock road, and a delivery truck, which was pulling out of a parking space. Dike told police there was damage to the left rear taillight on his auto and that the truck belonged to an East St. Louis delivery firm. The name of the driver of the truck was not listed on the report.

### Tag Day, Fighting MS, Here This Weekend

Tag Day, supporting the fight against multiple sclerosis, will be held in Granite City Friday and Saturday, June 17 and 18, with funds to be solicited through canisters placed in stores and by teenagers on street corners.

The drive, which leads to both scientific research against the disease and the furnishing of services to victims, is being led by Rev. William Montgomery, assistant pastor of the First Presbyterian Church, and 22 other ministers from the Quad-Cities.

Among the services for which the drive provides is the furnishing of special equipment, wheelchairs, walkers, crutches, drugs and physical therapy for victims who otherwise might not be able to afford them.

### State Offers Grants For Nurse Training

State nursing scholarships worth from \$2000 to \$3000 are available to Madison County high school graduates. County School Supt. W. R. Trimpe announced.

By contacting his office or by meeting a state representative, W. K. Skadden at the Edwardsville courthouse on Monday, June 27, from 8:30 to 11 a. m., any high school graduate between the ages of 17 and 35 who is also a citizen of the United States and a resident of Illinois may become eligible, Trimpe said.

Students presently enrolled in a school of nursing are invited to apply for the grants sponsored by the Illinois Department of Public Welfare.

### Chief Thum To Present Illustrated Song

Indian Chief Bruce Thum, son of a Cherokee Indian princess from Sapulpa, Okla., and direct descendant of Chief Pathkiller, the originator of the Cherokee nation, will present "Beautiful Heaven," an illustrated song, at 7:30 p. m. Tuesday at the First Assembly of God Church, 24th street and Grand avenue. It was announced by the pastor, Rev. Paul Evans.

Chief Thum is to be aided by his wife, Ruth Thum, as soloist, and Charles Verness, portraying Christ. Several hundred dollars worth of lighting and scenery will be used, and Rev. Evans is extending an invitation to Quad-Cityans to attend.

On Wednesday, at 7:30 p. m., Chief Thum will speak on the subject, "Will the Middle East or Berlin Crisis Lead to World War III?"

### 5 Granite Cityans In Station Wagon Caravan

Five representatives of Woodrome Oldsmobile, 2261 Madison avenue, were among 145 St. Louis area Oldsmobile dealers, salesmen and their wives who traveled to Lansing, Mich. last week for the largest station wagon "driveway" in the automobile company's history.

Granite Cityans in the station wagon caravan were Mr. and Mrs. William Woodrome Jr., Miss Hazel Schulte and Eugene Summers.

# Basement DAMP?

## An electric dehumidifier will keep it safe and dry all summer

Don't put up with a damp, clammy basement another day! An electric dehumidifier will remove gallons of damaging moisture from the air each day... stop rust, rot and mildew that ruin tools, luggage, clothing—anything you store in the basement. And your basement becomes a healthier place to work or play.

Prove to yourself an electric dehumidifier pays for itself many times in personal comfort and protection for belongings. A call to our office will put a brand new dehumidifier in your basement without cost or obligation. Just plug it in anywhere... see for yourself what a job it does. After the free trial period, we'll pick it up if you choose—or you can buy it for only \$5 down!
